# KHNAIGUIYAH PROJECT UPDATE

**Perth:** Alara Resources Limited (ASX: AUQ) (**Alara** or **Company**) reports on the submission of a new mining licence application in Khnaiguiyah, Saudi Arabia.

## **New Mining Licence application submitted**

The Company refers to the licensing section of its Quarterly Activities Report<sup>1</sup>. In particular, exploration licences and applications included in the Shareholders' Agreement between Alara and United Arabian Mining Company that are expired and/or cancelled.

Further to the latest announcement regarding Alara's joint venture with Bayan Mining Company LLC ('Bayan')<sup>2</sup>, the Company is pleased to report that further steps are being taking to help preserve existing value and upside potential<sup>3</sup> of the Khnaiguiyah Project.

Bayan has now submitted a mining licence application over areas that are adjacent to the Khnaiguiyah Mining Licence, including the southern end of the K3 pit<sup>4</sup>.

Further updates will be provided as developments occur.
