LAPSE OF UNLISTED OPTIONS - CORRECTED

This is an updated replacement announcement to the version dated 7 November 2014 to correct typographical errors in the description of the class of lapsed options and a class of existing options.

Perth: Alara Resources Limited (ASX: AUQ) (Alara) advises that the following unlisted options have recently lapsed:

| № of Lapsed Options | Date of Lapse | Description of Lapsed Options | Exercise Price | Date of Issue | Original Expiry Date |
|------------------------|---------------------------------|--|-------------------|--------------------|-------------------------|
| 10,000,000 | 1 November 2014 ¹ | \$0.15 (15 January 2016) Unlisted Director's Options ² | \$0.15 | 16 January 2014 | 15 January 2016 |

The Company confirms the current total securities on issue as follows:

| Class of Security | Listed Shares | Unlisted Options | Total |
|---|------------------|---------------------|-------------|
| Fully paid ordinary shares | 242,007,500 | - | 242,007,500 |
| \$0.35 (22 August 2015) Unlisted Options ³ | - | 400,000 | 400,000 |
| \$0.10 (15 January 2016) Unlisted Options ² | - | 10,000,000 | 10,000,000 |
| \$0.15 (21 November 2016) Unlisted Managing Director's Options ⁴ | - | 3,333,334 | 3,333,334 |
| \$0.20 (21 November 2016) Unlisted Managing Director's Options ⁴ | - | 3,333,333 | 3,333,333 |
| Total | 242,007,500 | 17,066,667 | 259,074,167 |

The Company notes that:

- The number and classes of unlisted options historically issued to previous Directors and employees have decreased significantly from in excess of 20 million options (as at 30 June 2013) to 400,000 options currently;
- Save for 400,000 \$0.35 (22 August 2015) Unlisted Options, the remaining current unlisted options have been issued in the past year (since the 2013 AGM) with defined milestones to be achieved prior to vesting;
- > 13,333,333 (out of 30,000,000) of these more recently issued unlisted options have also lapsed or been cancelled, thus further reducing the number of unlisted options on issue; and
- > 3,333,333 (21 November 2016) Unlisted Managing Director's Unlisted Options are still subject to vesting upon attainment of a defined milestone (on or before 31 December 2015).

– ENDS –
