### AL HADEETHA PROJECT - EXPLORATION LICENCE RENEWAL

Alara Resources Limited (ASX: AUQ) (**Alara**) provides this update on the Al Hadeetha Copper-Gold Project.

Further to the Half Year Report released this week, which identified the Al Hadeetha project licenses as ‘renewal pending’; Alara confirms the Public Authority for Mining in Oman has accepted the latest Al Hadeetha project reports and statutory fees for renewal of licences for one year.

The Al Hadeetha Copper-Gold Project currently<sup>1</sup> comprises three exploration licences, namely Washihi, Mullaq and Al Ajal, totalling ~105km<sup>2</sup>. These licences are located approximately 60km West and 120km South-southwest of the capital Muscat (see Figure 1 below).

This helps clear the way for Alara to continue its exploration program in connection with the mining licence applications and Feasibility Study currently underway.
