OMAN PROJECT UPDATE

Perth: Alara Resources Limited (ASX: AUQ) (**Alara** or **Company**) advises that the registered commercial activities of Al Hadeetha Resources LLC now includes the mining of copper.

Further to the Company's announcement of 22 November 2017, the commercial registration certificate of the project company, Al Hadeetha Resources LLC, has been amended by the Ministry of Commerce and Industry to provide for "mining of ores valued chiefly for selected non-ferrous metals, [including] copper, and [selected] precious metals '*licence pending*'". This important step is indicative of further favourable action relative to the issuance of the Washihi Mining Licence.

Following the Company's announcement of 1 December 2017, the first instalment of 15,750,000 ordinary fully paid Alara shares has been issued to Al Hadeetha Investments LLC ('Al Hadeetha') at an issue price \$0.03 per share, bringing the Company's total issued capital to \$65,642,492.

Al Hadeetha is joint venture partner with Alara Oman Operations Pty Ltd in the Al Hadeetha Copper Gold Project in Oman.
